

CURRICULUM VITAE

Date: 6th September 2021

NAME: Professor Ragnar Löfstedt

ADDRESS: Home
88 Kenilworth Aveune
Wimbledon Park
London
SW19 7LR

Work
Centre for Risk Management
Department of Geography
King's College London
Strand Campus
London WC2R 2LS

Phone: Day: 0207-848-1404

Email: Ragnar.lofstedt@kcl.ac.uk, lofstedtrl@aol.com

DATE & PLACE OF BIRTH: 04/02/64 Uppsala, Sweden

EDUCATION:

<u>Date</u>	<u>Discipline</u>	<u>Degree</u>	<u>Institution</u>
1993	Geography	PhD	Clark University
<u>"The Swedish Energy Policy Dilemma and the Role of Behavioural Energy Conservation"</u>			
1991	Geography	M.A.	Clark University.
1988	Geography	B.A. (Hons)	University of California, Los Angeles.

POSTDOCTORAL TRAINING (if applicable):

Research Fellowships

<u>Dates</u>	<u>Field of Research</u>	<u>Place</u>
Jan-July 1993	Transboundary risk management: the case of nuclear power	International Institute for Applied Systems Analysis (IIASA), Laxenburg, Austria.

ACADEMIC APPOINTMENTS (list in chronological order, beginning with most recent):

<u>Dates</u>	<u>Title</u>	<u>Department</u>	<u>Institution</u>
2002 to present	Professor & Director for Risk Management	King's Centre	King's College London
1999 to 2001	Reader in Social Geography	Geography	University of Surrey
1993 to 1998	Lecturer in Social Geography	Geography	University of Surrey

OTHER ACADEMIC POSITIONS and MAJOR VISITING APPOINTMENTS:

<u>Dates</u>	<u>Title</u>	<u>Department</u>	<u>Institution</u>
2021	Fellow		Institute for Advanced Sustainability Studies Mitt University
2020-today	Adjunct Professor	Risk and Crisis Research Centre	
2004 to 2008	Adjunct Professor	Harvard Center for Risk Analysis	Harvard School of Public Health
2008 to 2015	Instructor		Harvard School of Public Health
2002 to 2019	Adjunct Professor	Center for Public Sector Studies	Gothenburg University
2002 to today	Adjunct Professor	Department of Engineering and Public Policy	Carnegie Mellon University
2010-2011	Visiting Professor (Royal Netherlands Academy of Arts and Sciences Visting Prof scheme)	TSS	University of Maastricht
2002 to 2004	Adjunct Associate Professor	Harvard Center for Risk Analysis	Harvard School of Public Health
1999 to 2000	Visiting Associate Professor	Harvard Center for Risk Analysis	Harvard School of Public Health
1995 to 2001	Visiting Associate Professor	Center for Public Sector Studies	University of Gothenburg
1994 to 2001	Visiting Research Fellow	International Institute for Applied Systems Analysis	Laxenburg, Austria.

HONORS AND DISTINCTIONS (Year and name of award):

Receiver of the Society for Risk Analysis (2000) Chauncey Starr award for "exceptional contributions to the field of risk analysis for someone under the age of 40."

Became a fellow of the Society for Risk Analysis (2005) for his continued exceptional contributions to the field of risk analysis.

Was awarded the Society for Risk Analysis Richard Burk Outstanding Service Award (2006) for extraordinary service to the Society.

Was awarded the Society for Risk Analysis Distinguished Educator Award (2018) for contributing substantially to the training of new experts in risk analysis.

In December 2020 he was elected incoming President of the Society for Risk Analysis

MAJOR PROFESSIONAL SERVICE

January 2006 to March 2009: Member of the Scientific and Regulatory Affairs Advisory Board of the Coca Cola Corporation

January 2006-December 2006: Expert advisor to the UK House of Commons Science and Technology Committee inquiry on "Scientific Advice, Risk and Evidence Based Policy Making";

January 2005-Dec 2013: Member of the European Food Safety Authority's risk communication advisory group, reporting directly to the director of EFSA.

September 2005-Dec 2008: Member of the scientific advisory board of the UK Environment Agency

March 2004-Dec 2010: Member of the academic advisory board of the UK National Health Service's National Patient Safety Agency.

March 2011-Nov 2011: Chair of the UK Government Commissioned Review: Reclaiming Health and Safety for All: An independent review of health and safety legislation. Review was launched on the 28th November 2011 at which time the Government accepted all of the 26 recommendations made.

May 2012-January 2013: Chair of UK Government's independent assessment of how well the recommendations of the Lofstedt review was being implemented by the Government. The assessment "Reclaiming health and safety for all: A review of progress one year on" was published 30th January 2013.

May 2021-today: Member of the Joint UK Cabinet Office/Foreign Commonwealth Office advisory group on international best practice handling of the Covid-19 pandemic.

PROFESSIONAL SOCIETIES:

Member of the Society for Risk Analysis Europe (SRA-E) executive committee 1995-2003;
Chair of the SRA Risk communication specialty group 1999-2000;
Member of the board of SRA RC SG (1997-1999), 2003-2006;
Member International Risk Governance Council (2007 to 2010);
Member of the SRA Council 2013-2016

EDITORIAL BOARDS:

2010 to today Member of the editorial board European Journal of Risk Regulation

2007 to today Member of the editorial board SAPIENS (Surveys and Perspectives Integrating Environment and Society)

2004 to today Member of the editorial board for International Journal for Risk Assessment and Management

2002 to 2019 Member of the editorial board for Health Communication.

2001 to today Member of the editorial board for Risk Management

1998 to 2008 Member of the editorial board for Risk Analysis

1996 to today Editor of Earthscan Publications' Risk, Society and Policy series.

1996 to today Editor-in-Chief of Journal of Risk Research

MAJOR RESEARCH INTERESTS:

- a) The changing nature of environmental/food/health/pharmaceutical regulation in Europe;
- b) The role of trust in understanding the public perception of risk;
- c) Developing more rigorous risk communication policies for government and industry

TEACHING EXPERIENCE

<u>Date</u>	<u>Title</u>	<u>Institution</u>	<u>Experience</u>
1999 to 2014	Co-course developer Co-director	Harvard School of Risk Communication	Challenge Public Health(Continuing Education Course)
2001 to date	Course developer	King's College London	Courses on risk for undergraduate and graduate students
2006 to date	Co-developer Masters	King's College London	Masters course in risk analysis in Risk Analysis
1993-2000	Lecturer/Reader	Geography Dept University of Surrey	Course developer-courses for BA, MA and PhD students on risk

Teaching of doctoral students and supervision 1993 to date.
